MEMORANDUM FOR: Acting Deputy Director for Support  
THROUGH : Acting Director of Personnel  
SUBJECT : Picketing at University of Missouri  
(Columbia Campus)

1. Our Midwest Recruiter, [redacted] STAT  
phoned [redacted] at 1340 hours (Washington time) to  
report that he was being picketed at the University of  
Missouri by some six or eight students carrying anti-CIA  
placards in the area of the Dean of Students' office where  
STAT Mr. [redacted] normally does his interviewing.

2. One of the placards read to this effect:

"The CIA + Dean of Students = Free Education?"

This is the first time that one of our University Associates  
STAT [redacted] has been  
identified in this manner.

3. Mr. [redacted] is booked at Missouri for the balance  
of this week. He gave no indication that the picketing was  
disruptive or that he would withdraw from the area. It was  
STAT [redacted] opinion, since he himself has recruited at Missouri,  
STAT that [redacted] would use a lounge area on the second floor.  
STAT [redacted] did say that there was an hiatus in his schedule  
because some of the pickets themselves (or so he thought) had  
signed up for interviewing time which they did not intend to  
use. He said that he noticed certain students signing up in  
the Dean's office who were clearly not of our caliber or the  
caliber he is accustomed to interviewing at Missouri.

4. We were not tipped off by the FBI as to this  
demonstration. Had we been, we would not have considered it  
necessary to send a senior official to [redacted] side.  
Although one of our youngest recruiters, [redacted] is of

ice water construction; he has been on the road for four years, and he handled a previous demonstration at Grinnell College (Iowa) last year with aplomb. No ORR or DD/S&T officials are scheduled to be with [ ] at Missouri this week. He had DD/S&T company at the Rolla campus of the University of Missouri in his engineering recruiting 5-7 October. Copies of this memorandum are being furnished the Director of Security and the Assistant to the Director (Mr. [ ]

MEMORANDUM FOR: Acting Deputy Director for Support  
THROUGH : Acting Director of Personnel  
SUBJECT : Picketing at Columbia University

STAT 1. Mr. [ ] phoned from Columbia University at 1345 hours today that when he returned from lunch approximately 150 anti-CIA pickets had surrounded his ground floor interviewing area and that school officials were waiting to spirit him into the building by way of a back door. At the time of his call, school officials were considering alternate interviewing locations, but Mr. [ ] was of the opinion he would have to stop interviewing insofar as today's schedule was concerned. STAT

STAT 2. We were not alerted by the FBI or other sources as to today's demonstration. Had we been, no senior Headquarters recruitment official would have been dispatched to New York City to join Mr. [ ] as he is a cool and seasoned recruiter who went through one of these experiences at CCNY last year.

STAT 3. Mr. [ ] called back at 1405 hours to report that Dr. Chamberlain, the Vice President, had learned that if Mr. [ ] kept his Wednesday and Thursday (16 and 17 November) interviewing dates at Columbia, he would again be picketed; accordingly, Dr. Chamberlain requested that STAT Mr. [ ] not return for these dates, but, rather, that he (Dr. Chamberlain) would have Alex Clark, Placement Director, give the students who were scheduled for interviews STAT Mr. [ ] telephone number [ ]
